*Thank you
for helping name our plow!*

We will share on social
media once our maintenance
and operations crews finalize
the name!

What presentations did you find most helpful?

30 responses

What presentations did you find most helpful?

30 responses

Innovations

Winter operations

Innovations

Snow machines, avalanche

Morning presentations from M&O, FAST, and
afternoon Data session. All good!

Data sharing and plow tracking

Helpful current and future resources

Christines on what is possible.

Would you find value in holding this again and, if so, how often?

30 responses

Yes! Please do!

Maybe every other year

Yes, seasonally.

Yes! Every two years.

Yes. And invite more counterparts from MSB.

Yes. Every year.

Yes, twice annual in spring and fall

Yes - seasonally

Yearly please

22

Would you find value in holding this again and, if so, how often?

30 responses

Yes, annual

Yes annual

Two years

Yes! One every fall (before winter) and maybe even a summer version

Annually. It's a great way to get out of the office and cross pollinate.

Yes annually

Yes, but perhaps earlier? September?

September

Yes

Would you find value in holding this again and, if so, how often?

30 responses

Oh yea

Yes, every other year

Yes, annually?

Yes annually

Yearly

Yearly

Yes it's valuable. When we can

Annually

Yes please

22

Would you find value in holding this again and, if so, how often?

30 responses

Annually

Yes! Annually

Yes. This was great! Yearly would be best, even if it was only a half day depending on the information to share. Consider more presentations from other agencies
