TERMS & CONDITIONS

1. This vehicle shall not be operated at FAI unless all requirements detailed within appropriate FAI Operational Order Section 6 are met. See attached applicable Operational Order Section.
2. This vehicle may be required for inspection by Airport Police & Fire prior to operations at FAI, and annually, and is subject to periodic and random inspections by Airport staff or Republic Parking staff to determine continued compliance.
3. Shuttle Vehicles & Tour Operators **shall not use the airport concourse to pick up or drop off passengers** and shall be equipped with the appropriate permit to allow entrance into Parking Lot A (Bus Plaza). Shuttles shall use the active loading/unloading designated locations and use shuttle parking area along fence for waiting. Tour Bus Operators shall use designated spaces in Parking Lot A (Bus Plaza). Taxicabs shall use the designated Taxi Lane only. Chauffeurs shall use the designated pick-up/drop-off area at the concourse's north end. See attached Parking Lot A (Bus Plaza) Map.
4. Permittees shall be subject to suspension or revocation should vehicles be found operating in an unauthorized area.
5. Handicapped passengers may be picked up and dropped off at the designed ADA spots on the concourse.
6. CMV inspection is required for vehicles over 10,001 lbs.; or can seat 8 or more occupants, including the driver; or may transport passengers whose permanent residence is outside of Alaska or hazardous materials.
7. Operation of the listed vehicle will be in accordance with all applicable Alaska Statutes; 13 AAC 04.001- 13 AAC 04.270, 17 AAC 42 Article 1, and Fairbanks International Airport Operational Orders in Section 6; and any other applicable rules as may be issued or amended by Fairbanks International Airport.
8. Permittee shall agree to abide by the Alaska DOT&PF policy that no one shall be subject to discrimination on the basis of race, color, national origin, sex, age, or disability, regardless of the funding source, including Federal Transit Administration, Federal Aviation Administration, Federal Highway Administration, Federal Motor Carrier Safety Association, and the State of Alaska.

CPVP DEFINITIONS

Airport: The real property and facilities of the Fairbanks International Airport, Fairbanks, Alaska, as they exist on the execution date of this Permit, together with any future additions or expansions.
Certified Activity Report: A report that lists the Gross Sales generated by the business authorized under this Permit during the calendar month for which payment is made, as well as other data required by this Permit.
Chauffeur Vehicle: A vehicle driven by licensed chauffeur, offering personalized, prearranged, and secure transportation.
Chauffeur Service: A chauffeur service is a premium, professional transport service providing a licensed driver in a luxury vehicle, focusing on safety, punctuality, and high-end customer service.
Courtesy Vehicle: A motor vehicle owned/operated by hotels, motels, or other similar places of public accommodation for the transportation of their guests to and from the Airport at the request of the guest and for which service no charge is made to the guest.
Courtesy Service: Any transportation of passengers by a Courtesy Car to / from the Airport for which no fee is charged.
Flat Fare: A fixed amount paid by a passenger for a Shuttle Service; the fare based on a route, zone, or area served.
Gross Sales: The aggregate of the entire amount of all revenues billed by the Permittee, regardless of actual collection, for the services provided under this Permit.
Hazardous Substance: Any substance that is defined under an environmental law as hazardous waste, hazardous substance, hazardous material, toxic, pollutant, contaminant, petroleum, petroleum product, or oil.
Metered Fare: A variable amount determined by a taxi meter based upon time and/or distance traveled, paid by a passenger for a Taxicab Service.
Shuttle: A chauffeured motor vehicle that has a seating capacity of 6 to 15 passengers, excluding the driver.
Shuttle Service: Any transportation of passengers by a Shuttle to and from the Airport for which a Flat Fare is charged.
Taxicab: A motor vehicle that has a seating capacity of 4 to 8 passengers, excluding the driver.
Taxicab Service: Any transportation of passengers by a Taxicab to and from the Airport for which a Metered Fare is charged.
Tour Bus: A motor vehicle that has a seating capacity equal to or greater than 30 passengers, excluding the driver.
Tour Bus Operation: Any transportation of passengers by a Tour Bus to and from the Airport for a pre-ticketed tour/excursion.

ADDITIONAL VEHICLES TO BE OPERATED ON THE AIRPORT
