

Superload Notice

State-Wide Oversize Overweight Permitting

The Permit Office requires an advance notice of five (5) business days for permit requests considered Superloads. These loads are defined as follows:

- Overall Length: Greater than 150 feet
- Overall Width: Greater than 18 feet
- Overall Height: Greater than 18 feet
- Gross Vehicle Weight 250,000 pounds or greater

These requests require additional analysis and approvals requiring additional time to process.
