

Results from the June 19-July 19, 2020 Online Survey for the Fairbanks 5th Avenue Reconstruction Project NFWY00445/TA19(001)

An Online Open House and Survey was held June 19, 2020 through July 19, 2020 for the Fairbanks 5th Avenue Reconstruction project. The Online Open House provided an overview of the existing corridor, past outreach efforts, and presented design concepts, including options for one-way and two-way travel. The online survey collected input from the public on the existing conditions of the project area and the preferred improvements, amenities, and direction of travel. 86 people participated in the online survey. The survey results are summarized below.
