Notices to Consultants:

The Civil Rights Office will be transitioning some of their databases into AASHTOWare. One of these that will be moving is the Bidder / Consultant Registration database. To assist the Civil Rights Office in this transition, all consultants and subconsultants will need to obtain an IRIS vendor ID with a 913 commodity code. The 913 commodity code is what AASHTOWare is looking for to pull the vendor information into AASHTOWare. If you already have an IRIS vendor ID, you can access the Vendor Self-Serve (VSS) system to add the 913 commodity code. If you do not have an IRIS Vendor ID, you need to establish one using the Vendor Self-Serve system. Instructions for creating a new account in the VSS system can be found under the Job Aids at the following link: <https://iris-vss.alaska.gov/webapp/PRDVSS1X1/AltSelfService>

The Civil Rights Office would like to get everyone into AASHTOWare as soon as possible. To assist with this, Vendor IDs will be verified for the 913 commodity code as contracts are awarded and the Bidder/Consultant registration paperwork is checked.

Effective May 8, 2015, the Department, in coordination with the U.S. Department of Transportation, adopted a Race-Neutral Disadvantaged Business Enterprise (DBE) Program for its federal-aid program. The Race-Neutral DBE program applies to federally funded construction related professional services solicitations, with the exception of FAA funded projects located within the boundaries of the department's Northern Region, which remain under a Race-Conscious DBE program.

All consultant firms must register annually or prior to award with the Alaska Department of Transportation and Public Facilities (DOT&PF) Civil Rights Officer (CRO) by completing a consultant registration form (psa dbe 25D-6) for each consultant and subconsultant. Firms will be listed on the consultant registration online directory <http://www.dot.state.ak.us/cvlrts/bidreg.shtml>. Any questions about DBE goals or consultant registration can be directed to the Civil Rights Office, 907-269-0850.

Consultants should carefully read the RFP forms posted, as changes have been implemented.
