

Non-Compliant Minimal Use & De Minimis Register

Federal-Aid Highway Contracts

Project Name and Federal Project Number¹ _____

NON-COMPLIANT ITEM DESCRIPTION ²	CONTRACT QUANTITY REPRESENTED	COST AGAINST IRON & STEEL MINIMAL USE ³	COST AGAINST MANUFACTURED PRODUCT & CONSTRUCTION MATERIAL DE MINIMIS AMOUNT ⁴
Total to Date			
Contract Allowance ^{3,4}			

Estimated Total Project Materials Cost⁶

As Contractor's authorized representative, I certify that, as of the date of my signature below: (1) I have identified on this form and any included attachments⁵, all non-compliant: iron and steel products, manufactured products, and construction materials incorporated into the Work that are to the Iron & Steel Minimal Use at [23 CFR Part 635.410\(b\)\(4\)](#) or the US DOT De Minimis Amount at [88 FR 55817](#); (2) that the total sum of all products are less than the total contract allowance; and (3) that if I become aware of an error or change in the foregoing information, I will immediately submit a revised form to the Department.

I acknowledge that submission of false or misleading statement information may result in civil and criminal penalties.

Form 25D-60B Instructions:

1. Enter the project name, state number, and federal project number as they appear on the contract.
2. Match the description from the related Form 25D-62, if applicable. Enter "NONE" on the first line if there are no non-compliant items to declare.
3. The invoice cost as delivered to the project, including freight, of materials subject to 23 CFR 635.410. The contract allowance is one-tenth of one percent (0.1 percent) of the total contract amount at award, or \$2,500, whichever is greater, per 23 CFR 635.410(b)(4).
4. The contract allowance for Manufactured Products and Construction Materials is no more than the lesser of \$1,000,000 or 5% of the total applicable costs for the project (as defined by the NEPA finding, determination, or decision) per the USDOT Waiver of Buy America Requirements for De Minimis Costs and Small Grants (88 FR 55817).
5. Attach additional form sheets if necessary to include more than one page of items.
6. Enter the total cost of all predominantly steel and iron products, manufactured products, and construction materials to be permanently incorporated into the project.
