

This map illustrates the Matanuska-Susitna Borough with various proposed road projects. The projects are color-coded: red for repaving, green for widening, blue for new construction, and yellow for utility work. Key projects include the Bogard Extension, Hyer, Church, Jensen, W Matanuska Spur, E Matanuska Spur, and several local street improvements like Falk, Cunningham, Engstrom, Campbell, Marsh, Scott, Irwin Lp, Palmer, Lawalter, Crowther, Rebarchek, Grover, Marth, and Plant & Materials Rd. A scale bar and north arrow are at the bottom.
