2015-2018 TIP Administrative
Modification #19

The Anchorage Metropolitan Area Transportation Solutions (AMATS) Policy Committee (PC) approved the Administrative Modification #19 to the AMATS FFY 2015-2018 Transportation Improvement Program (TIP) on June 28, 2018.

We find that AMATS FFY 2015-2018 TIP Administrative Modification #19 meets all the requirements of US Code Title 23, Section 134, meets conformity and is fiscally constrained by the allocations made in the 2018-2021 Statewide Transportation Improvement Program (STIP).

Your approval of the AMATS FFY 2015-2018 TIP Administrative Modification #19 is recommended and required as the statutory designee for all state transportation planning matters.

SUBJECT: AMATS 2015-2018 TIP
Administrative Modification #19

The Anchorage Metropolitan Area Transportation Solutions (AMATS) Policy Committee (PC) approved the Administrative Modification #19 to the AMATS FFY 2015-2018 Transportation Improvement Program (TIP) on June 28th, 2018. Attached as separate documents are the FFY 2015-18 TIP tables with Administrative Modification #19 adjustments highlighted and the PC memo.

We find this Administrative Modification to be in conformance with 23 USC 134 and all applicable federal requirements for Metropolitan Planning Organizations and is financially constrained. An administrative modification does not require a new conformity determination per 23 CFR 450.104.

Administrative Modification #19 now reflects updates to Tables 3, 4, 7, and 8. This Admin Mod does not meet the threshold established for Major Amendment as it does not impact air quality conformity and does not impact the fiscal constraint for AMATS. Table 7 is outside the AMATS allocation and the change included as part of this Admin Mod reflects Federal Transit Administration (FTA) monies that go directly to the Alaska Railroad Corporation. Table 8 is outside the AMATS allocation and the change included as part of this Admin Mod reflects an FTA grant that the Municipality of Anchorage Public Transportation Department is applying for and part of the application process requires the project to be shown in the AMATS TIP.

AMATS requests that appropriate action be taken to incorporate the 2015-2018 TIP Administrative Modification #19 into the STIP.

3	19464	ADA Complementary Paratransit Services - Costs associated with ADA paratransit programs are eligible for this funding. The project funds the ADA paratransit eligibility process with a transportation skills assessment and a travel training program for people who could benefit from individualized instruction regarding how to independently ride People Moved buses. May also be used to purchase AnchorRIDES trips.	2015 - 2018 - Implementation	\$0	\$500	\$142	\$0	\$500	\$500	\$500	\$2,642	
4	19457	Bus Stop Improvements/1% Section 5307 Transit Improvements - This project funds the upgrade of bus stop sites to meet both the federally-mandated Americans with Disabilities Act [ADA] requirements and the operational needs. Typical improvements include bus shelters, benches, trash receptacles, landscaping, grading, paving, utility relocations, lighting, curb adjustments, drainage, constructing paths, and construction/reconstruction of turnouts. 6	19459	Fleet Improvement/Support Equipment/Support Vehicle - This project funds improvements to existing transit and paratransit fleets. Typical projects include a ticket reader and issue attachment, which issues passenger passes on the bus; security systems; transit/signal improvements for headway enhancements; mechanical equipment and other improvements for facilities; mobile display terminals' and vehicle communications, radios and locations systems. This project also funds the purchase of replacement vehicles and equipment to support operation of the transit system. Typical purchases include pickup racks, maintenance trucks with special equipment, supervisor vehicles, shift change vehicles, fork lifts, sweepers, and bus access snow removal equipment.	2015 - 2018 - Purchase	\$0	\$270	\$0	\$1,232	\$200	\$200	\$200	\$2,302
